Involved in providing advisory and periodical skill development programmes for the technical staff of AICRP on PHT, Kolkata centre and the Field Investigators recruited in various districts of West Bengal under the ICAR-FCI project.
- o Replacement of costly fish meal with fermented shrimp head waste meal and its standardization.
- o Isolation of lactic acid bacteria from fermented fish product followed by identification by detailed molecular characterization has been performed successfully.
- o Patent filing for new invention by AICRP on Post Harvest Technology (ICAR), Kolkata Centre is currently under processing.
- o Have standardized ready-to-cook and ready-to-eat processed fish products for commercialization prepared from the fishery industrial wastes.
- o Associated with organizing regular Training programmes for rural fisherfolk women from different NGOs and self-help groups to impart them training on skill development in preparation of ready-to-cook and ready-to-eat processed fish products so that they can implement the techniques at their own places for earning their self livelihood and also in small scale industrial sectors.
- o Associated as Scientific expert and consultant with agricultural and fishery organizations for delivering project consultancies and guest lectures for rural livelihood upliftment through sustainable and economical fish farming and aquaculture practices.

MEDALS WON INCLUDING ACADEMIC ACHIEVEMENTS

- i) Received the First batch (1953) B.V.Sc. students Merit Scholarship (Gold Medal) for securing highest marks in 5th and 6th semesters in B.V.Sc. & A.H. course for the year 2005.
- ii) Secured First rank in M.V.Sc. in VETERINARY MICROBIOLOGY for Academic Session 2005-2006 in Department of Veterinary Microbiology, Faculty of Veterinary and Animal Sciences, West Bengal University of Animal & Fishery Sciences.
- iii) Research paper entitled 'Analysis of Infectious Bovine Rhinotracheitis Infection In West Bengal (India)' has been accepted for presentation in the 96th Indian Science Congress for ISCA Young Scientists Award Programme in the section of Animal, Veterinary and Fishery Sciences, held in North Eastern Hill University, Shillong on October 17, 2008.
- iv) M.V.Sc thesis full research work has been recognized & appreciated by 'Federation of Indian Chambers of Commerce and Industries' (FICCI) Annual Awards 2008-2009.
- v) Qualified ICAR National Eligibility Test NET – 2007 (Roll No. 20270610) & NET – 2009 (Roll No. 29270149) exams in Major/ Broad discipline of VETERINARY MICROBIOLOGY and Sub-discipline of VETERINARY MICROBIOLOGY. Was called for ARS Interview/viva-voce 2007 in the discipline of VETERINARY MICROBIOLOGY conducted by A.S.R.B. (ICAR), New Delhi.
- vi) Qualified in All India Competitive Examination for ICAR's Senior Research Fellowship/ admission in Ph.D. program 2007-2008 in the discipline of VETERINARY MICROBIOLOGY in SAUs/ CAU & CUs having faculty of agriculture.
- vii) Short-listed and selected as the only candidate for admission to Ph.D Programme Academic Session 2009-2010 in the discipline of VETERINARY MICROBIOLOGY at Birsa Agricultural University, Ranchi, Jharkhand.
- viii) Selected as 'DST-INSPIRE Fellow' (JRF-Professional) and received the "Innovation in Science Pursuit for Inspired Research (INSPIRE)" Doctoral fellowship launched by Government of India from Dept. of Science & Technology (DST), New Delhi in March, 2010 (Also published in Hindustan Hindi daily newspaper, P.6, dt.21-5-2010).
- ix) Received the best Research paper presentation award in 'Theme-VIII' in XXIV Annual Convention of IAVMI (Indian Association of Veterinary Microbiologists, Immunologists & Specialists in Infectious Diseases) & International Conference (January 27-29, 2010) at Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chattisgarh, India.
- x) Qualified by securing first position in Walk-in interview held on 24.10.2007 at Kakdwip Research Centre of CIBA (ICAR) and appointed as Junior Research Fellow under the Department of Biotechnology, Ministry of Science & Technology, Govt. of India sponsored project on 19.11.2007 (Project code: No. BT/PR8565/AAQ/03/318/2007) entitled "Enrichment of aquafeed with cellulolytic and amylolytic microbes isolated from digestive tract of brackishwater fishes" under Dr. Debasis

De, Scientist (SS) & Principal Investigator at Kakdwip Research Centre of Central Institute of Brackishwater Aquaculture (Indian Council of Agricultural Research), Kakdwip, South 24 Parganas, W.B- 743347 & convincingly worked there up to 31.07.2009.

xi) Honored as Fellow of Society for Applied Biotechnology (FSAB) in the area of Microbial Biotechnology by the Society for Applied Biotechnology (SAB), India.

xii) Honored with the American Order of Merit recognized by the American Biographical Institute, Inc., Raleigh, North Carolina, USA.

xiii) Honored as Fellow, Hind Agri-Horticultural Society, India.

xiv) Honored as Fellow, International Science Congress Association, India.

xv) Honored as Fellow, Institute of Integrative Omics and Applied Biotechnology, India.

xvi) Honored as Fellow, International Society of BioTechnology, India.

xvii) Honored as Fellow, Academy for Environment and Life Sciences, India.

xviii) Honored as Fellow, Society for Advancement of Sciences, India.

xix) Honored as Fellow, Society Of Education, India.

xx) Honored as Fellow, Science and Education Development Institute, Nigeria.

xxi) Honored as Member of the International Biographical Centre, Cambridge, England, LEADING SCIENTISTS OF THE WORLD 2012 by the International Biographical Centre, Cambridge, England.

xxii) Selected for Sir Isaac Newton Scientific Award of Excellence 2012 by the American Biographical Institute, Inc., Raleigh, North Carolina, USA.

xxiii) Honored as Member of the International Biographical Centre, Cambridge, England, TOP 100 SCIENTISTS ~ 2012 ~ by the International Biographical Centre, Cambridge, England.

xxiv) Honored as Member of the International Biographical Centre, Cambridge, England, TOP 100 EDUCATORS ~2012~ and ~2013~ by the International Biographical Centre, Cambridge, England.

xxv) Honored as 2000 Outstanding Intellectuals of the 21st Century ~ 2013 ~ by the International Biographical Centre, Cambridge, England.

xxvi) Member of the International Biographical Centre, Cambridge, England, Leading Educators of the World 2013.

xxvii) Honored as the International Plato Award for Educational Achievement ~Iconic Achievers~ by the International Biographical Centre, Cambridge, England

SCHOLARSHIPS, PRIZES AND ACADEMIC AWARDS, DISTINCTIONS, HONOURS/ FELICITATIONS RECEIVED

i) Received the University's Annual B.V.Sc. & A.H. merit scholarships and M.V.Sc. merit and senior merit scholarships through out the career from the university.

ii) Received the certificate of merit for securing first position for poster presentation on the focal theme of Advancement in Livestock and Poultry Sectors

and the Challenges Ahead with Special Emphasis on Bird Flu organised by Scientific sub-committee, XXXVI Re-Union of students of Bengal Veterinary College, Faculty of Veterinary and Animal Sciences, B.C.K.V. and W.B.U.A.F.S. on 10th January, 2006 in Kolkata.

iii) Received the certificate of successful participation in Debate Competition on Privatization of Veterinary Education on World Veterinary Day on 29th April, 2006 held in Faculty of Veterinary and Animal Sciences, Belgachia, Kolkata.

iv) Received the certificate of merit for securing the second position in Oral Presentation on "Global Warming- An Emergent Threat" in World Veterinary Day on 28th April, 2007 held in Faculty of Veterinary and Animal Sciences, Belgachia, Kolkata.

v) An abstract entitled "Dengue- a serious urban threat" has been accepted for presentation in Poster Session of IX International symposium on Vectors and Vector borne Diseases at Puri organized by National Institute of Malaria Research (ICMR), Delhi sponsored by I.C.M.R. held on 15 - 17th Feb, 2008.

vi) Received the certificate of active participation and poster presentation on "Studies On Seroprevalence of Infectious Bovine Rhinotracheitis In Cattle Population Of West Bengal" in the National Science Day, 2008 / 15th West Bengal State Science and Technology Congress Meet, 2008 held in 28th & 29th February, 2008 organized by Department of Science & Technology (DST), W.B. Govt. at West Bengal at Bengal Engineering & Science University, Shibpur, West Bengal.

vii) Research abstract entitled "Isolation, Morphological Characterization and Enzyme Profile of Cellulolytic and Amylolytic Microbes Present in Digestive Tract of Brackishwater Finfishes" has been accepted for Poster presentation in International Conference on Emerging Infectious Diseases of Animals & Biotechnological Applications at Tamil Nadu Veterinary and Animal Sciences University sponsored by T.A.N.U.V.A.S. & Virginia-Maryland Regional College of Veterinary Medicine held on 28-29th July, 2008.

viii) Research abstract entitled "Comparative Evaluation of Gut Microbes and Microbial Enzyme Status of Carnivorous and Herbivorous Brackishwater Finfishes" has been accepted for oral

presentation in 8th Indian Fisheries Forum of Asian Fisheries Society (Indian Branch) & The Inland Fisheries Society of India (IFSI) organized by Central Inland Fisheries Research Institute (ICAR), West Bengal, held on November 22-26, 2008 at Eastern Zonal Cultural Centre, Salt Lake, Kolkata.

ix) Research abstract entitled 'Serosurvey of Infectious Bovine Rhinotracheitis in West Bengal With Attempts for Isolation of BHV-1' has been accepted for Poster presentation in XXIII Annual Conference of IAVMI and National Symposium on Newer Concepts & Strategies for Disease Diagnostics and Immunoprophylactics for Enhancing Livestock Health & Production on November 25 - 26, 2008 at Indian Veterinary Research Institute, Izatnagar (U.P.).

x) Received the certificate of participation for Oral presentation of Research paper entitled 'Analysis of Infectious Bovine Rhinotracheitis Infection In West Bengal (India)' for Young Scientist Award for Animal, Veterinary and Fishery Sciences section in 96th Indian Science Congress at North Eastern Hill University (NEHU), Shillong on 17th October, 2008.

xi) Received the certificate of Oral presentation of paper entitled "Immunomodulatory role of Yeast cell wall preparation in poultry" accepted for Oral presentation in the 9th Indian Veterinary Congress & XVI Annual Conference of IAAVR & National Symposium On "Transition from Empiricism to Molecularism in Veterinary Research for a Sustainable Animal Health & Production – Way Forward", 20 to 21 February, 2009 at Bombay Veterinary College, Parel, Mumbai-400 012, Maharashtra.

xii) Received the certificate of Poster presentation of paper entitled "Orally administered glucan from an edible mushroom (Pleurotus florida) provides protection against Newcastle disease in broiler chicken" in 2nd International CME program on 'New Frontiers in Haematology & Oncology 2009' aided by ICMR on 9th and 10th April, 2009 organized by Netaji Subhash Chandra Bose Cancer Research Institute at Swabhumi, Kolkata (West Bengal), India.

xiii) Received the certificate of participation for participation and presentation of paper entitled "Immunomodulatory role of - glucan of edible mushroom origin in poultry" in Biennial Conference (Interim) of Asia Oceania Research Organization on Genital Infection and Neoplasia (AOGIN) aided by ICMR held on April 25-26, 2009 hosted by Chittaranjan National Cancer Institute & AOGIN India at Hotel Hyatt Regency, Kolkata (West Bengal), India.

xiv) Received the certificate of participation in XXIV Annual Convention of IAVMI & International Conference on Protecting Animal Health : Facilitating Trade in Livestock and Livestock Products (January 27-29, 2010) at Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chattisgarh, India.

xv) Received the certificate of First Prize in 'Theme – VIII' for presentation of paper entitled "Pattern of immune responses in broiler chicks against Salmonella Gallinarum infection" in XXIV Annual Convention of IAVMI & International Conference on Protecting Animal Health : Facilitating Trade in Livestock and Livestock Products (January 27-29, 2010) at Indira Gandhi Krishi Vishwavidyalaya, Raipur, Chattisgarh, India.

xvi) Received a plaque & 3-years free subscription in Pashudhan news Journal for securing Second position in All India Essay composition competition - 01 on the topic entitled "A career prospect for a veterinarian is much wider now, than it ever was" launched by VetjobsIndia.com.

xvii) Secured third position in All India Annual Drawing-Painting competition 2010 organized by Zydus Animal Health Limited, Ahmedabad, India.

xviii) Felicitated in the 42nd Re-Union of past and present Students of Bengal Veterinary College, Faculty of Veterinary & Animal Sciences of BCKV & WBUAFS (10-11 January 2012) for acting as Member of Co-Chairman panel and Raporteur for the Scientific Sub-Committee.

xix) Felicitated in the 14th National Conference of the Association for Prevention and Control of Rabies in India (APCRI) on the Theme: "Towards a sustainable Rabies Control programme in India- A one Health Initiative" at Park Hotel, Kolkata (July 7-8, 2012) for acting as Member of the Registration Committee and orally presenting a Free Paper.

PARTICIPATION IN REFRESHER COURSES/ TRAINING PROGRAMMES/ WORKSHOPS

i) Attended various veterinary hospitals, clinics, laboratories, zoo and KVK during six months B.V.Sc. & A.H. compulsory Internship Training Programme.

ii) Participated in "Training on Handling the Bird Flu Operation" held on 31st January, 2007 at West Bengal Veterinary Council Seminar Hall, 37, K. B. Sarani, Kolkata- 700 037 organised by Faculty of Veterinary and Animal Sciences, W.B.U.A.F.S., 37 & 68, K. B. Sarani, Kolkata-700 037.

iii) Participated in the "Summer Training Programme on Environment Awareness" and Debate and Quiz Competition held on June 5- 6- 2007 at Indian Institute of Chemical Engineers, Jadavpur University; World Environment Day Programme; UNEP Theme- 'Melting Ice: A Hot Topic?' organised by The Science Association of Bengal.

iv) Participated in 21 days DBT sponsored Short term Training course on "Serological and PCR based diagnosis of economically important infectious diseases of domestic animals" (November 10 - 30, 2009) organized by Centre for Animal Disease Research & Diagnosis (CADRAD), Indian

Veterinary Research Institute (IVRI), Izatnagar, Bareilly, U.P (Course Coordinator: Dr. S. Nandi, Sr.Scientist, CADRAD, IVRI, Izatnagar, U.P).

v) Participated in the six days Annual Workshop on History of Science on the theme 'Science in India in the 20th century' (07 - 12 March 2011) organized by The Asiatic Society, Kolkata, India.

vi) Participated as sponsored candidate from AICRP on PHT, Kolkata Centre in three days Training-cum-Workshop on 'Use of ICT in Animal Resources Management' (July 15-17, 2011) in collaboration with National Institute of Agricultural Extension Management (MANAGE) [An organization of Ministry of Agriculture, Govt. of India], Rajendranagar, Hyderabad, India at West Bengal University of Animal and Fishery Sciences, Kolkata, India.

vii) Participated as sponsored candidate from AICRP on PHT, Kolkata Centre in seven days National Fisheries Development Board, Hyderabad sponsored Training programme on "Enclosed fishery enhancement techniques for inland open water resources" (13-19 December 2011) at Central Inland Fisheries Research Institute (I.C.A.R.), Barrackpore, Kolkata, WB, India (Course Coordinator; Dr. M.K. Bandyopadhyay, Sr.Scientist, CIFRI, Barrackpore, W.B).

viii) Participated in the CPCSEA Eastern Zonal Workshop on Laboratory Animal Experimentation organized by the "Committee for the Purpose of Control and Supervision of Experiments on Animals" (CPCSEA), Govt of India in association with Ministry of Environment and Forests, Govt. Of India, R.G. Kar Medical College, Kolkata and West Bengal University of Animal and Fishery Sciences, Kolkata supported by TCG Lifesciences Ltd., Kolkata on 4th May 2012 at Platinum Jubilee Auditorium, R.G. Kar Medical College, Kolkata.

ix) Participated as sponsored candidate from AICRP on PHT, Kolkata Centre in the UGC sponsored Orientation programme/ Refresher course in "Process Control and Analytical Techniques in food processing and quality evaluation" (June 12-July 2, 2012) conducted by the UGC- Academic Staff College, Jadavpur University, Kolkata 700 098 at the Department of Food Technology and Biochemical Engineering (FTBE), Jadavpur University, Kolkata 700 032 (Course Coordinators: Dr.Paramita Bhattacharjee, Prof.U. Raychaudhuri and Prof.Runu Chakraborty, Dept of FTBE, Jadavpur University, Kolkata, W.B).
